Prayer for our Country & Government

At this time of heavy responsibility,

as decisions about future relationships

with our neighbours in Europe are being taken,

we pray for our leaders:

that they will lead wisely;

that they will listen attentively;

that they will exercise grace;

and that they will know peace

in their deliberations.

At this time of uncertainty,

within our nations and communities,

we pray for ourselves:

that we will remain open to the stranger;

welcoming to the neighbour;

and committed to those who struggle.

We pray for your church of which we are a part: that

we might be a place of honest reflection; respectful
dialogue; open friendship; humility and reconciliation.

We pray that we might be a community that points to
heaven, and shows ways in which heaven is glimpsed on
earth. Through our Lord and Saviour Jesus Christ

Amen

OUR WORLD: NEWS FROM OPEN DOORS

WORLD WATCH LIST: LIBYA (#4)

The majority of Christians in Libya are migrant workers. Libya is a deeply Islamic nation, as well as a tribal one, and leaving Islam is seen as a betrayal. It is illegal to bring Arabic Bibles into the country or to share the gospel with Muslims. Christian migrant workers are allowed to meet together to worship in Libya, but they are always at risk of attack by Islamic extremists, and face discrimination from Libyan society. Libyan Christians must keep their faith completely secret.

PLEASE PRAY:

Lord Jesus, please protect Christian migrant workers in Libya as they meet together. May You comfort and strengthen Libyan Christians who are not free to share their faith, and move the hearts of those in power to allow more freedom of religion within the country.

With many thanks for your prayers,
